What and Why

Color WHAT

Visual narrative studio uses a vibrant and a complementary color pattete that conveys creativity and freedom in the most effective way possible. The color pallete makes every designs harmonious and visually appealing

COLOR WHY

Orange and purple are used to emphasize the boldness and creativity that Visual Narrative Studio embodies in its designs. As the brand s primary colors, they convey power and are applied to elements that require a strong impact.

A bright teal and purple cttomplement the previous colors while providing visual relief with their cool, calming characteristics. Lacking a strong presence, they balance the warm, intense tones with a more relaxing feel.

The color of orange and bright teal is siimply to put more interest in the designs.
